An email about my favourite place

Hi Ben,

How are you?

Next Sunday, I will go to Hong Kong Park with my family. That is my favourite place. It is in Admiralty.

First, we will go there by MTR and walk there for five minutes. Then, we will go to see the birds. They are beautiful! We will also take photos and visit the Tea Museum. It is fun!

In the park, I can see many flowers and plants, too.

How will you spend your weekend?

Love,

Steven
