Spending a day with Santa Claus

Santa Claus from Finland is in Hong Kong for a holiday. I am so glad to have Santa Claus in Hong Kong. If I could spend a day with him, I would dress up like him and ride on the reindeer sleigh to deliver gifts to different homes.

I would like to take Santa Claus to visit different attractions in Hong Kong, e.g. The Hong Kong History Museum. It will let him know more about the history and culture of Hong Kong. I wish he had a wonderful holiday here!
