An interview with Santa Claus

Santa Claus is coming to Hong Kong from Finland. He visited our school last week. I was overjoyed to interview him.

Mandy: I am delighted to see you, Santa! How are you?

Santa Claus: I am doing great. I am happy to see you all in Hong Kong.

Mandy: Do you only come in December?

Santa Claus: Yes, I only work two days in a year.

Mandy: How nice! But on which days? On Christmas Eve and
Christmas Day?

Santa Claus: Yes, but it takes two days to finish giving the presents to the
whole world.

Mandy: Oh, I see. You must be tired. It is very nice to talk to you.
