An interview with Santa Claus

Santa Claus is coming to Hong Kong from Finland. He visited our school last week. I was overjoyed to interview him.

Mandy: Can I ask you some questions?

Santa Claus: Yes, sure!

Mandy: How many letters do you receive from children every year?

Santa Claus: About a thousand.

Mandy: It is very cold in Finland, isn't it?

Santa Claus: Yes, the weather is freezing.

Mandy: Do you find the job interesting?

Santa Claus: I enjoy my job very much because I can give happiness to all children.

Mandy: It is great to hear that. See you in the coming Christmas!
