My Lovely Family

by Butrasarn Niphada

'Good morning!' says my sweet mom

Who always looks after me

so wholehearted is her work.

What a wonderful breakfast, you see!

Milk, cornflakes, ham, eggs, bread and cheese...

Let's go to school with my full-tummy.

Thanks, Mom, for your meal.

'Good afternoon, darling!' says my busy Dad,

who earns money to buy things for all,

who spends time to read with me

and enjoys playing with me.

Oh! Dad, we love you more.

'Good night! Have a lovely dream!'

After dinner, I straight go to bed,

Dad waits until I am asleep,

then tiptoes out of my room quietly.

'Sleep well, my dear,

for God will keep you out of fear.'

Dear God! The sweet families are the gifts from you?

For me, it is so precious.

It is a lovely place where my life begins.

Oh! We are a lovely family,

where we share our sadness, joy and memories

and we play and work together.

We are joined by love and taken care of by God.

Thank you, God!

Thanks for blessing my family.
