### Good People, Good Deeds

Today, I will introduce my mother, Mrs Leung. She is a good person. She has straight hair. She has a round face. She is thin and tall. She is generous and helpful. She always takes care of me. She always helps her neighbours.

One day, when I was sick. My mother cooked some congee to me. She brought me to see a doctor. She took good care of me. Although I was so rude to her, she was patient to me.

"I want to play computer games." I said.

"You should take a rest. You will get well soon." my mother comforted me. She is kind.
