Good People, Good Deeds

Today, I will introduce my mother, Mrs Wong. She is a good person. She has short hair. She is kind and helpful. She always takes care of me and my brother. She teaches us to be kind-hearted and considerate too.

One day, when I was sick, my mother took care of me for the whole day. She cooked some congee with minced meat to me. She took me to see the doctor and asked me to take the medicine. Although I didn't want to take it, my mother persuaded me kindly.

I think my mother is nice. She loves me so much.
