### A Special Birthday

Today was Mum's birthday. Steve wanted to make fried rice with ham and eggs for her. It was her favourite dish. Steve wanted to give a surprise to his mum.

First, Steve beat the eggs and sliced the ham. Then, he fried both the eggs and the ham. Later on, he wanted to fry the rice. All of a sudden, he found out that he forgot to plug the electric wire of the rice cooker. 'Oh, no!' Steve exclaimed.

'What should I do?' Steve wondered. He quickly plugged the rice cooker in to cook the rice. By the time he finished tasting the rice, his mum had come back home. He gave the surprise to his mum. Mum liked the fried rice very much. Both of them were delighted.
