Towel Slippers

Do you feel that cleaning the floor every day is very troublesome? No matter how many times you mop the floor, it is still not clean enough. Towel slippers can help you solve this problem!

To make the towel slippers, you need a pair of slippers and towels. First, take two towels and a pair of slippers. Then, cut the two towels into the shape of the slippers. After that, stick the slipper-patterned towels to the pair of slippers with glue. Now, they can be used for cleaning the floor easily.

Let me tell you how to use the slippers. First, wash them to make sure they are clean enough. Dry them before you wear them. Then, walk around the places where you want to mop. Finally, wash the slippers so that you can use them for the next time.

If you prefer an easy way to clean your floor, you can try these towel slippers by yourself. Believe it or not, they are easy to make and very convenient to use.
